Dear Girl Scout Families,

We are excitedly anticipating this summer to welcome you and your Girl Scout to Camp Bonnie Brae, Camp Green Eyrie, Camp Laurel Wood, and Camp Lewis Perkins! At GSCWM, summer brings happy memories of dips in Bare Hill Pond, a bullseye on the archery range, wish boat building, and, of course, singing around a campfire together.

We look forward to summer 2024 filled with the magic, tradition, friendship, and fun that girls and their families have come to expect at Girl Scout camp. Summer camp is an opportunity to unplug, find refuge in nature, and exercise independence in a safe, girl-led environment. Attending camp is consistently cited as girls' favorite memories of their Girl Scout years and is something I look forward to every year! By sending your girl to camp, she will develop leadership and outdoor skills as well as a deep appreciation for our natural world. Girl Scout camp gives girls an opportunity to grow, explore, and find themselves under the guidance of caring, trained adults.

When your camper attends one of our camps, she joins a 112 year legacy of sisterhood and tens of thousands of Girl Scouts. This includes many of our summer camp staff, who have found lifelong friendships, discovered their strengths, made lasting memories, and returned home with an all-new love for the world around us. So, give your girl the gift of camp—you'll be amazed at what a little time outdoors does to develop her courage and confidence, from the classroom to the laboratory, to the boardroom, and beyond.

I can't wait to see you this summer and explore the world of camp together!

Happy Camping,

Jessica Gonzalez

Program Manager

ACA ACCREDITATION AND SAFETY/ HEALTH REGULATIONS

The American Camp Association, or ACA, is the only accrediting body for recreational camps in the United States. ACA's accreditation standards focus on health, safety, and risk management, and are used as benchmarks by government entities. ACA accreditation provides public evidence of a camp's commitment to the well-being of campers and staff.

Camp Bonnie Brae, Camp Green Eyrie, and Camp Lewis Perkins are fully accredited ACA Camps. GSCWM submits annual reports to ACA for review and each camp receives an on-site evaluation from ACA representatives every three years, with our most recent visits happening during the summer of 2023. In addition to maintaining accreditation status, GSCWM staff utilize ACA trainings and research to develop exciting camp programs, maintain up-to-date staffing policies, and uphold industry best practices for participant health & safety. Although Camp Laurel Wood has not gone through the ACA accreditation process, our camp staff maintain the same ACA standards.

In addition to the safety guidelines outlined by ACA and GSUSA, all GSCWM camps comply with Massachusetts Department of Public Health regulations and are licensed by the local board of health.

CAMPERS WITH INDIVIDUAL ACCOMMODATIONS

GSCWM wants all girls to have the opportunity for a great camp experience. Campers who need individual accommodations can have a positive camp experience when these needs are disclosed to GSCWM camp staff prior to camp. If your camper requires accommodations for medical, physical, emotional, developmental, or social needs, please contact the GSCWM Program Manager, Jessica Gonzalez, at jgonzalez@gscwm.org or by phone at 413-584-2602 to discuss whether or not GSCWM camps can support your camper's specific needs before registering for camp.

CAMP STAFF

GSCWM recruits camp staff both regionally and through an international J-1 visa agency. Staff are selected based on maturity, program skills, experience, and ability to serve as role models. Day camp staff members are at least 16 years old, with leadership staff who are at least 21. Overnight camp staff are at least 18 or graduated from high school with some select positions filled by staff who are at least 16, leadership staff who are at least 21, and director teams that are at least 25 per ACA and Massachusetts state standards. Camp staff attend intensive pre-camp training before the summer camp season to fully immerse themselves in their roles and prepare for campers. Staff members who supervise activities at the waterfront, challenge course, archery, and other specific program areas receive additional training and certifications. GSCWM conducts thorough staff criminal background (CORI) and sexual offender (SORI) checks. In accordance with the Massachusetts Department of Public Health and licensing by the local board of health, you have the right to request proof of background checks, camp healthcare policies, discipline policies as well as policies for filing grievances.

Have more questions about GSCWM summer camps? Visit the [summer camp](#) page at www.gscwm.org to view our Frequently Asked Questions and the Summer Camp Family Handbooks, which cover policies and procedures in detail. If you can't find an answer you're looking for, contact info@gscwm.org and the right person will get in touch.

REFUNDS AND TRANSFERS

To reschedule or cancel your summer camp registration, please contact the Information & Referral department by emailing info@gscwm.org, or submit a request inside your Camp Doc account. Please be sure to include your Girl Scout's name and program and we will do our best to help you reschedule.

If you would like to transfer your camper's existing registration to a different week or program, please note that we may not be able to accommodate changes that occur within two weeks before your camp session, or if the program you would like to transfer to is full. To request a transfer, please contact the Information & Referral department by emailing info@gscwm.org.

If you would like to cancel your camper's registration, please submit a cancellation and refund request in writing through your CampDoc account or by emailing info@gscwm.org four weeks or more before the start of your camp session. Pro-rated refunds are not given if a member doesn't attend the full program.

In some cases, a partial or full refund may be granted for medical emergencies. In this case, notification of absence must be given before the event and accompanied by a written request for a refund within two weeks of the program. A physician's note is also required.

Occasionally, GSCWM must change or cancel a program. If this happens, we will notify you as soon as possible and provide either a full refund of the camp reservation fee or placement into an alternate session.

WAITLISTS

Many of our camp programs fill up fast and we recommend you register as early as possible after registration opens on January 17, 2024. If the program your camper is interested in attending is full, you have the option to join the waitlist for that program.

We are unable to tell you ahead of time when/if your camper will be moved off the waitlist. While some campers may be registered in one program and waitlisted in another, girls who do not have other registrations are encouraged to register for an open program to guarantee that they will be able to attend camp.

If you would like to register for a program with a waitlist, select it in your CampDoc profile. A deposit or program fee is not required until your camper is removed from the waitlist. You will receive an email from CampDoc informing you if you have been removed from the waitlist. The cost of the camp program will be added to your account and be due at that time.
