

Congratulations and thank you to everyone who participated in the Girl Scout Cookie Program! We had a fantastic season, with plenty of cookies for all!

In exciting news, we still have cookies available and want to use them for a community program we have code named, Operation Share! This program is all about thanking and giving back to our local military personnel and veterans.

**Girl Scouts who haven't had the chance to participate in the cookie program, this fun promotion is for you too!**

- All cookies purchased for donation from March 18-31 through our online virtual program will go to military troops, veterans, and the USO within Central and Western MA.
- Girls will earn this patch for 12 or more boxes of cookies donated!
- Troops will earn proceeds on each box donated.
  - Troops earn the proceeds without adding inventory.
  - All payment transactions are online.
- GSCWM will deliver the donated cookies locally.

**Girl Scouts who have an online DOC store:** You can send emails to friends and family who will have the option to purchase “Donate Cookies” for our local military troops, veterans and the USO.

**Girl Scouts who haven't had the chance to participate or who did not set up an online store:** Please include [Cookie Donation Link](#) or QR code to participate.

The following are step-by-step directions for Girl Scouts who do not already have an online DOC store with screen shots to illustrate. Questions? E-mail us at [prodprograms@gscwm.org](mailto:prodprograms@gscwm.org). We're happy to help!
