ABOUT PROGRAMS AND EVENTS

When Pre-Registration is Required
It’s very important to register in advance for programs and events, unless the description tells you it’s okay to drop in. We’re sorry, but we can’t accommodate drop-ins when advanced registration is required.

Event Staffing and Supervision
Keeping up with our girls is a big deal! For programs that GSCWM produces and runs, GSCWM staff and registered volunteers are responsible to supervise girls. For events where GSCWM links with a Program Partner who staffs and runs the event, troop leaders and/or parents/guardians are responsible for supervision of their girls. In addition, troops must make sure to meet the required girl: adult ratio. If registering as an individual, and not as a troop, an adult must participate with the girl in the event unless the event description says that’s not necessary. For girl-only events, GSCWM staff members are on hand, and we’re pros at making sure girls have appropriate supervision so that they can have fun and parents/caregivers can relax!

Who Needs to be a Girl Scout?
GIRLS: Naturally most of our events are for registered Girl Scout members in grades K-12, but you can almost always bring a friend.*

ADULTS: The special safety rules for adults mean that adults must be registered and have a completed CORI check with us if they are:
• Driving girls (other than their own child)
• Counted in the girl: adult ratio
• Actively participating in the event
• Attending an overnight event

You don’t need to be a registered Girl Scout if you’re attending only with your child and not participating in the event, but you’re always welcome to join! Add the $25 adult membership fee to the total due and you’re covered for the membership year.

*Bring a Friend: Friends who aren’t current Girl Scouts just need to add the $35 Girl Scout membership fee to the event fee, and they can join in the fun for one or all Girl Scout events for the membership year!

Permission Slips
Follow these “do’s” and you’ll be all set! A parent/guardian needs to provide signed, written consent for each girl participating in an activity scheduled to happen any time or any place outside of a regular troop or group meeting. Turning that in to the troop or group leader for events is a must! When your girl is attending on her own without a troop, turn in the permission slip to the event leader during check-in. Please use our form, which includes health history. Go to gscwm.org/Forms.html.

Questions?
We’re here to help! Please contact GSCWM’s Information & Referral Center at 508-365-0115/413-584-2602 or info@gscwm.org.

ABOUT PROGRAMS AND EVENTS

The following policies relate to GSCWM-run events:

Minimum Attendance
Some things just aren't the same with only a few people attending so we have participation minimums. We hate to disappoint, but if it turns out that too few participants have registered by the date registration closes, we'll need to cancel the event. We'll notify all registered participants, and make sure you get a full refund for events that GSCWM cancels.

Inclement Weather
When bad weather threatens to squash too much of the fun, or we just don't think it's safe, GSCWM may decide that the program needs to be modified or that canceling or re-scheduling the event is best. If the event is canceled we'll notify all registered participants, and make sure that you get a full refund for the events that GSCWM cancels. Be sure to check your email and voice mail for messages. If conditions in your area have got you wondering if the event is still on, call 413-584-2602 or 508-365-0115. If it's after hours, we'll post a message on that line.

Cancellation by Participant
Email or write us four weeks before the event to get a refund if you're not going to attend the event you registered for. We'll refund all but a $5 cancellation fee per person. We're sorry, but we don't offer refunds for not showing up or if you arrive late or leave the event early.

Highest Awards

Bronze. Silver. Gold. These represent the highest honors a Girl Scout can earn.

All three awards give you the chance to do big things while supporting an issue you care about. You might plant a community garden at your school or inspire others to eat healthy foods for your Bronze, advocate for animal rights for your Silver, or build a career network that encourages girls to become scientists and engineers for your Gold. Whatever you choose, you’ll inspire others (and yourself).

Also a given: as you earn one of Girl Scouts’ highest awards, you’ll change your corner of the world—and beyond. The possibilities are endless.

You can find all Highest Award Guidelines, current GSCWM reports and forms, and many helpful resources at gscwm.org/awards.

Bronze Award Orientations are now being offered to troop leaders and parents who are interested in arming themselves with the knowledge and tools they’ll need to lead their Juniors through a successful Girl Scout Bronze Award experience.

Strive for Silver Orientations are highly recommended for Cadettes interested in learning about the steps to becoming a Silver Award Girl Scout, the pros and cons of an individual vs. team project, understanding the difference between Take Action and community service, and understanding the importance of the community impact of a project. Troop leaders, advisors and parents are strongly encouraged to join as well.

Go for Gold Orientations provide valuable information about the national Gold Award Guidelines, the award process including paperwork, deadlines and what to expect when meeting with the Gold Award Committee (GAC), and an opportunity to get your questions answered from members of the GAC. Leaders, advisors and parents are also encouraged to attend.

You will find information about all Orientations listed throughout the Program Guide program listings.

Gold Award Committee Meetings are held in both our Holyoke and Worcester Leadership Centers. Appointments with the GAC can be made by emailing GoldAward@gscwm.org at least one month prior to when you would like an appointment.

For more than a century, camping has been a cornerstone of the Girl Scout experience. When girls get outdoors they create memories, make new discoveries, develop lifelong friendships and learn new skills. Girls become lifelong learners, take on new challenges, think outside the box, find creative ways to get things done and embrace the unfamiliar. Camping like a G.I.R.L. is in our DNA!

GSCWM owns four camps which were developed and are maintained for the express purpose of Girl Scout programs in the outdoors and to inspire girls to develop a love of nature and a lasting commitment to the environment. Camps are located throughout central and western Massachusetts and each offers a unique experience.

**Service Unit Encampments:** Reserve up to 9 months prior to your date.

**Troop Camping:** Reserve up to 6 months prior to your date.

**Service Projects:** Pre-arrange a project with GSCWM. Some ideas include: painting, cleaning fire circles, cleaning unsightly areas, and landscaping.

**Borrow Equipment:** to borrow or rent equipment, complete the Loanable Resources Form found online: www.gscwm.org/forms.html.

Find out more at www.gscwm.org and click on Camp. Confirm availability by looking at the appropriate site calendar. If there is a site noted on a date, this signifies a reservation is in place. “Exclusive” signifies the entire camp has been reserved.
Girl Scout Summer Camp: Girl Scout Camp is a key benefit of being a Girl Scout and having access to our beautiful camps; but no Girl Scout experience is required to attend our summer camp. In a girl-led, girl-friendly environment, girls challenge themselves and take healthy risks, surrounded by supportive friends and camp staff. When girls spend quality time outdoors and increase their exposure to nature, they thrive physically, emotionally and intellectually. And that’s great news!

Questions about specific camp programs email camp@gscwm.org

Questions about registering or processing payments email info@gscwm.org

We believe that camp has positive impacts on our G.I.R.L.s, and we also believe that there is something about being in the outdoors where you make new friends, try new things, and laugh until you cry that speaks to The POWER of CAMP. Come explore camp with your family during our open house sessions, learn a few camp songs and have some s’mores. Members of our camp team are available to answer any questions. This is a great way to see what camp looks like before the summer begins! Open houses and Meet the Staff days, take place rain or shine. While registration is not required to attend, it does allow us to be prepared. RSVP to camp@gscwm.org

Girl Scouts of Central and Western Massachusetts empowers the leaders of tomorrow by giving them the opportunity to participate in two very exciting programs that teach girls to be Go-Getters and Leaders. The Fall Product Program runs primarily from September to October while the Girl Scout Cookie Program typically runs from December to March. Both programs embrace the G.I.R.L while incorporating the five key business and leadership skills that will last a lifetime.

Girl Scout Cookie Season is upon us – it’s such an exciting time of year for Girl Scouts of all ages. Girls are able to take the skills they have learned during the Fall Product Program and put them into action. To continue to help girls with this program we have some tips, tricks and themes to ensure that all girls have a fun and successful Cookie Program season.

**Super Bowl Weekend – Jan 31 - Feb 2, 2020**
You may be attending a Super Bowl party this year with your friends and family. This is a great opportunity to ask if anyone would like to purchase some Girl Scout Cookies. Or grab a buddy and start going door to door in your neighborhood to catch your neighbors while they are home watching the game. Trefoils® and Tagalongs® make the perfect Patriot’s red and blue 2-pack!

**Bling Your Booth Weekend – Jan 17-19, 2020**
A little bling always catches your eye. Make sure to really put some effort into your booth décor. This will attract customers from a distance and make it really stand out that you are selling Girl Scout Cookies. You can do something as simple as arranging your cookie boxes in rainbow order or create fun color multipacks.

**Girl Have Heart Weekend – Feb 14-16, 2020**
Show your support and pride for our local troops and their families by decorating your booth or wagon Valentine’s Day Weekend. Promoting that you are participating in GSCWM’s Project Care and Share program helps increase these sales. It entices the customers who are on their New Year’s diet or are unable to consume cookies into still being able to support your troop while together you support the military troops based in our community.

**Digital Cookie – Online Program – Jan 17 – March 8, 2020**
While Digital Cookie is a great way for relatives out of state to support their Girl Scouts, did you know that you can also use it for local friends and family with the added convenience of “Girl Delivery”. This way local customers don’t pay shipping AND your Girl Scout can deliver the cookies at a time that is convenient for everyone.

Need more ideas and suggestions for your cookie season? Check out www.littlebrownie.com for many tools and fun-filled activities all about cookies.

**Cookie Program Dates:**
**Order Cards:** December 11, 2019 – March 8, 2020
**Direct & Online Sales:** January 17 – March 8, 2020

Girls and their troops begin the planning process for the annual Cookie Program in December. The program kickoff begins on December 11 when girls begin selling using their order cards. On January 17, the Direct Sale aspect of the Cookie program begins in full swing as girls start selling with cookies in hand! From door-to-door sales to booth sales and online orders, the 5 skills are put to work as girls and their troops set goals and determine how to achieve those goals.
**PRODUCT PROGRAMS**

**Not in a Troop?**  
**Become a Cookie Boss!**  
As with many fun programs at GSCWM, girls do not have to be a member of a troop to participate in the Girl Scout Fall Product and Cookie Programs. Girls who are on the non-troop affiliated pathway can participate through their service units for the Fall Product Program and during the Cookie Season they can become a Cookie Boss! In early December, an email was sent to all non-troop affiliated girls to welcome them to sign up for the Cookie Boss Program. Are you a new non-troop affiliated Girl Scout? If so, email Jessica, jgonzalez@gscwm.org. You will be able to work on the 5 skills and help fund your Girl Scout experience while learning valuable life and business skills.

**What do the product programs fund?**  
The Girl Scout Fall Product and Cookie Programs are two of the few youth-oriented programs in the country providing its participants the ability to decide how to direct the proceeds generated through their business activity. Some girls are using their proceeds for travel, big trips abroad and local programs. Some girls use their cookie credits to help fund their way to summer camp or earning their higher awards, and many give back to the community by funding their service projects. Council-wide, most of our Girl Scout troops reinvest a portion of their proceeds in service projects that address specific community needs. Many of the troops also take part in Project Care & Share programs which make donations to local food pantries and to our military troops.

All proceeds from the sale of Girl Scout Fall Product and Cookie Programs remain in the region and benefit girls in the community in which the products are sold. The local Girl Scout council uses product program revenue to supply essential services to troops and individual girls, providing program resources and support, training adult volunteers, conducting events, maintaining camps, and providing financial assistance to help make Girl Scouting possible for all girls.
