

## **Camp Laurel Wood Summer 2014**

### **Aardvark Song**

This is the start of a large, dark aardvark song  
Ne ne ne ne ne ne ne ne, yeah, yeah, yeah,  
There were two aardvarks in the park  
They say they're missing from the zoo.  
The police are searching high and low,  
But they cannot find them-can you?  
Peek-a-boo!  
Why did they go?  
I'll tell you the reason.  
This is the aardvarks' dating season.  
So if two aardvarks have a date  
They will slip right through those ole' zoo gates.  
So if you see two aardvarks playing in the park,  
Do not break an aardvark's HEART!  
Do not be a spy; you're not the FBI!  
Do not break an aardvark's HEART!  
This is the end of a large, dark aardvark song.  
Ne ne ne ne ne ne ne ne, yeah, yeah, yeah!

## **Barges**

Out of my window looking in the night,  
I can see the barges flickering light.  
Silently flows the river to the sea,  
And the barges too go silently.

### **Chorus**

Barges, I would like to go with you;  
I would like to sail the ocean blue.  
Barges, have you treasures in your hold?  
Do you fight with pirates brave and bold?

Out of my window looking in the night,  
I can see the barges flickering light.  
Starboard shines green and port is glowing red,  
You can see the flickering far ahead.

### **Chorus**

Oh, how my heart would love to sail with you  
As you sail across the ocean blue,  
But I must stay beside my window drear  
As I watch you sail away from here.

### **Chorus**

Away from my window on into the night  
I will watch till they are out of sight.  
Taking their cargoes far across the sea  
I will watch them sail away from me.

### **Chorus**

Out of my window looking in the night  
I can see the barges flickering light.  
Harbor ahead and anchorage In view  
I will find my resting place with your.

Taking their cargo far across the sea  
I wish that someday they'd take me

An ant he stepped on an elephant's toe.  
The elephant cried with tears in his eyes,  
"Why don't you pick on a guy your own size?"

A horse and a flea and three blind mice,

### Camp Granada

Hello Mudda, hello fadda, here I am at Camp  
Granada  
Camp is very entertaining, and they say we'll have  
some fun if it stops raining.

I went hiking with Chloe Spivey; she developed  
poison ivy.

You remember Margaret Skinner; she got  
ptomaine poisoning last night after dinner.

All the counselors hate the waiters and the lake  
has alligators.  
And the head coach wants no sissies, so he reads  
us from something called "Ulysses".

Now I don't want this should scare ya, but my  
bunkmate has malaria.

You remember Marty Hardy, they're about to  
organize a searching party.

Take me home, oh Mudda, Fadda.  
Take me home, I hate Granada!  
Don't leave me in the forest, where I might get  
eaten by a bear.

Take me home, I promise I will not make noise,  
Or mess the house with all the toys.  
Oh, please don't make me stay. I've been here on  
whole day.

Dearest Father, darling Mother, how's my  
precious little brudda?  
Let me come home if you miss me, I would even  
let Aunt Bertha hug and kiss me.

Wait a minute, it stopped hailing, groups are  
swimming, groups are sailing.  
Playing baseball, guess that's betta.  
Mudda, Fadda, kingly disregard this letter.

### Camping, Camping

"CHICKEN!"

### Chocolate Chip Cookies

#### **Chorus**

Chocolate Chip cookies, you gotta have more  
You can bake them in the oven or buy them at the store  
But whatever you do have them ready at the door  
And I'll love ya 'till I die.

Is the chocolate chips inside  
Boom, boom, boom.

Chocolate chip cookies all day.  
With milk, please!

#### **Repeat chorus**

### Chocolate Ice Cream Cone

My mommy said if I was good she'd send me to the store  
She said she'd make some gingerbread if I would sweep the floor.  
She would send me out to buy a chocolate ice cream cone.

And so I did the things she said and she made me some gingerbread  
Then I went out just me alone to buy a chocolate ice cream cone.

While coming home I tripped and fell upon a great big stone  
No need to say what happened to the chocolate ice cream cone

A little doggie cam along and took a great big lick  
Then I told that little dog he's gotta stay and sit  
And he lick me, where?

Where I sit down whoo – and he chased me all over town  
And now I'm lost, just me alone and all because of a chocolate ice cream cone.

### Crocodile Song

She sailed away on a bright sunny day  
On the back of a crocodile  
You see said she he's as tame as can be  
I'll ride him down the Nile.

But the Croc winked his eye  
As she waved them all good-bye, wearing a happy  
smile  
At the end of the ride the lady was inside  
And the smile was on the crocodile.

### Daisy

There's a daisy on my toe  
It is not real, it does not grow  
It's just a tad to of a flower  
So I look neat takin a shower  
It's on the second toe of my left foot  
Stammin flower but there's not root  
Cuz that wouldn't look good  
Perty daisy on my toe  
My right foot loves my left foot so

### Darlin

Darlin won't you wait,  
Won't you wait, won't you wait

Darlin won't you wait for me

Should another love come along, come along  
Simply say that you're not free  
Send her on her way, on her way, on her way  
Darlin won't you wait for me

Oh my love, some of us they say are bound to die  
Hold me close,  
Kiss me once again before I go

Darlin won't you wait, won't you wait, won't you

### Do Your Ears Hang Low?

Do your ears hang low, do they wobble to and fro?  
Can you tie them in a knot, can you tie them in a  
bow?  
Can you throw them over your shoulder like a  
continental soldier?  
Do your ears hang low?

Do your ears hang down, are they dragging on the  
ground?  
Do they head for the East when you're westward  
bound?  
Do they wobble when you talk, do they trip you  
when you walk?  
Do your ears hang down?

Do your teeth hang out, do they rub against your  
snout?  
Can you use them like a pick, can you take them in  
and out?  
Can they do the boogie woogie like they do in any  
movie?  
Do your teeth hang out?

Do your ears stick out, can you wiggle them  
about?  
Can you flap them up and down as you fly around  
the town?  
Can you shut them up for sure when you hear an  
awful bore?  
Do your ears stick out?

Do your ears stand high, do they reach up to the  
sky?  
Do they hang down when they're dry?  
Can you semaphore your neighbor with a  
minimum of labor?  
Do your ears stand high?

Do your ears fall off, when you give a great big  
cough?  
Do they lie there on the ground, or bounce up at  
the sound?  
Can you stick them in your pockets, just like Davy  
Crocket?  
Do your ears fall off?

Yes, my ears hang low and they waggle to and fro,  
I can tie them in a knot, I can tie them in a bow.  
I can throw them over my shoulder like a  
continental soldier,  
Yes, my ears hang low.

Yes, my ears hang down.....Yes, my teeth hang out....  
Yes, my ears tick out...Yes, my ears stand high....  
Yes, my ears fall off.....

### **Don't Disturb the Ladybug**

Don't disturb the ladybug  
Sleepin' by the spider's web  
And if you see a butterfly  
Don't try to catch it in your net  
It's taken such a long, long time  
To make this very special place  
Open up your soul and mind  
To all it has to say

#### Chorus

Be still, take it in awhile  
Feel the sunshine, warm upon your face  
You'll feel when it makes you smile  
Like you're welcome to the Human Race

Everybody sees a part of what this life can really be  
No one sees like you can see when you let your mind flow free

The wind is blowin' through the trees  
A song that everyone can learn  
God is playin' hide and seek everywhere you turn

Repeat Chorus

### **Donut Shop**

Well I trucked around the corner and I trucked around the block,  
And I trucked right into a donut shop.  
And I picked up a donut and licked off the grease.  
And handed the lady a five cent piece.

Well, she looked at the nickel and she looked at me,

And she said "this nickel is no good to me,  
There's a hole in the middle, I can see right through"

I aid "Aye, there's a hole in the donut too,.  
Thanks for the donut. Peace Out!

Down by the bay?

Repeat with verses, in any order:

You never did (clap, clap) you never will.

So give me the light of the campfire, warm & bright  
Give some friends to sing with, I'll be all right

right here

Just you and me and the campfire and the songs-  
the songs-  
We love to hear, to hear, to hear, to hear, to hear  
So let the campfire flicker into the night  
And let the dreams we cherish remain in its light

the songs  
We love – we love, to hear, to hear,

### **Gift ( Tiny Bottles)**

I have a little present here for you

Inside this tiny bottle So very small and blue

Please do not uncork it, simply put it away

For inside there lies a summers day

Put it on away.....

Now, I'd be pleased if you didn't ask,

Why I gave this gift to you

I don't know myself, did it on a whim,

As the thought came running through.

I just wanted to make you happy,

In a summer times sort of way

And I thought you might like

Your own summer's day

Put it on away.....

Now can you read the writing

On this tiny bottles wall?

I know it is quite small, but I can read it all

It says, "she who is a readin' me,

Is a lookin' right at my side

And might be sort of interested at what lies inside.

There'll be one breath of a butterfly,

And one ray from the sun

And lots and lots of laughter

From little children's fun"

So please do not uncork it,

Or everything will get away

For inside there lies a summers day

Put it on away.....

Let me sing you a song  
Let me tell you a tale of today  
Let me create a moment  
Let me make the world move on  
Let me live life just for today

When you see out your window some rain  
I'll say "Won't you come out and play?"  
But you stay in you dry house and ask me to come  
in  
But today I like rainy days

### **Chorus**

For today

### Green Tress Around You

Green trees around you, blue skies above;  
Friends all about you in a world filled with love.  
Taps sounding softly, hearts beating true,  
As Girl Scouts sing "Good Night!" to you.

### **Growing Strong**

It takes a will and a lot of heart;  
Just a little skill, a place to start.  
Now add a dream and we'll make it happen  
For every girl who asks for courage all her own.

#### **Chorus**

We are Girl Scouts helping girls grown strong!  
Taking our place where we belong, in this world.  
There is no ocean too wide and  
The highest mountain we'll climb.  
For we are Girl Scouts growing strong!  
We have a voice, we are the future  
We have a choice, out in this world.  
As we begin, each new beginning,  
We leave a trail of hope for others on their way

#### **Chorus**

Around the world, our circle's growing  
In sisterhood, we stand as one.  
Shoulder to shoulder, daughter to daughter,  
We give it all we have to give and live it now.

#### **Chorus**

### **Growing Up Tree**

Oh, Julie and Judy and Janie and Joan  
Were all very little, but wish they were grown.  
So they got together and all did agree,  
That they would go searching for the growing up  
tree.

They searched high and low in the street and the  
park  
They searched in the light and they searched in  
the dark.  
Till they met a wise woman who told them that  
she  
Would help them to search for the growing up  
tree.

#### **Chorus**

The growing up tree, the growing up tree  
The mystical, magical growing up tree.

The wise woman smiled as she gave them her  
hand  
She said "Let us join in a bright merry band!"  
The growing up tree we must search every day  
And we go on living as we go on our way.

The growing up tree is not easy to find  
You must search with your heart,  
You must search with your mind.  
You must learn to be patient,

You must learn to be wise  
For the thing that you seek is a wonderful prize

#### **Chorus**

They searched and they searched for many a year  
and a day  
And the wise old woman smiled as they went on  
their way.  
For she knew as she watched them grown wise  
and grow tall,  
That the growing up tree grew inside of them all

#### **Chorus**

A growing up tree grows inside of you, too  
Let it grow with the things that you say and do.  
And wonder of wonders you soon will be grown,  
Like Julie and Judy and Janie and Joan.

#### **Chorus**

Come along now with me, a Girl Scout you'll be  
And together we'll search for the growing up tree.

#### **Chorus**

### **House on Pooh Corner**

Christopher Robin and I walked along

Under the branches lit up by the moon.

Posing our questions for Owl and Eeyore

As our days disappeared all too soon.

But I've wandered much further today that I should

And I can't seem to find my way back to the wood.

### **Chorus**

So, help me if you can, I've gotta get

Back to the house at Pooh Corner by one.

You'd be surprised, there's so much to be done

Count all the bees in the hive

Chase all the clouds from the sky

Back to the days of Christopher Robin and Pooh.

Winnie the Pooh doesn't know what to do

Got a honey jar stuck on his nose

He came to me asking help and advice

And from here no one knows where he goes.

So I sent him to ask of the Owl, if he's there

How to loosen a jar from the nose of a bear

(chorus)

It's hard to explain how a few precious things  
Can follow throughout all of our lives.

After all's said and done, I was watching my son

Sleeping there with my bear by his side.

So I tucked him in, I kissed him, and as I was going

I could swear that old bear whispered "Boy,  
welcome home".

Believe me if you can, I've finally come

Back to the house of Pooh Corner by one.

Whaddya know; there's so much to be done!

Count all the bees in the hive,

Chase all the clouds out of the sky

"Don't take a sip  
For if you do,  
You'll surely flip.  
He said to me don't take a sip, don't take a sip  
For if you do you'll surely flip.

I took a sip  
And he went down  
All through my pipes  
He must have drowned.  
I took a sip and he went down, and he went down  
All through my pipes he must have drowned.

He was my pal  
He was my friend  
But now he's gone  
And that's THE END!  
He was my pal he was my friend, he was my friend  
And now he's gone and that's the END!

### **On My Honor**

#### **Chorus**

On my honor I will try  
There's a duty to be done and I say "Aye"  
There's a reason here for a reason above  
My honor is to try and my duty is to love.

People don't need to know my name  
If I've done any harm, then I'm to blame  
If I've helped another than I've helped me  
I've opened up my eyes to see.

Tucked away a song or two  
If you're feeling low there's one for you  
If you need a friend than I will come  
And there's many more where I come from.  
Chorus

Come with me where the fire burns bright  
You can see even more by a candle's light  
We can find more meaning in a campfire's glow  
Than we'll ever find in a year or so.

We'll be Girl Scouts together and when this is  
done  
We'll still be together and singing this song  
Chorus

## **On the Loose**

### **Chorus**

On the loose to climb a mountain  
On the loose where I am free  
On the loose to live my life, the way I think my life  
should be

For I've only got a moment and a whole world yet  
to see  
I'll be looking for tomorrow on the loose

Have you ever watched the sunrise turn the sky  
completely red  
Have you slept beneath the moon and stars  
A pine bough for your head  
Have you sat and talked with friends, though a  
word is never said  
Then you're just like me and you've been on the  
loose  
Chorus

There's a trail that I'll be hiking just to see where it  
might go  
Many places yet to visit, many people yet to know  
For in following in my dreams, I will live and I will  
grow  
On a trail that's waiting out there on the loose  
Chorus

So in search of love and laughter, I'll be traveling  
cross this land  
Never sure of where I'm going for I haven't any  
plan  
So in time when you are ready  
Come and join me and take my hand  
And together we'll share life out there on the loose  
Chorus

In this world that I am traveling, I will think of you  
this way.  
Remembering your smile, for it seems like  
yesterday.  
That we sat beneath the stars, and dreamed  
about today.  
We've come together and we're out on the loose.  
Chorus

## **On Top of Spaghetti**

On top of spaghetti all covered with cheese  
I lost my poor meatball when somebody sneezed

It rolled off the table and onto the floor  
And then my poor meatball rolled out the door

It rolled down the garden and under a bush  
And then my poor meatball was nothing but  
mush!

The mush was as tasty as tasty could be  
And then the next summer it grew into a tree

The tree was all covered, all covered with moss  
And on it grew meatballs, all covered with sauce.

So if you have spaghetti, all covered with cheese  
Hold onto your meatball, 'cause someone might  
sneeze.

### **One Last Song**

There's one last song I want to sing before I leave  
you

One last song to show how much we have shared  
A smile, a tear has brought us close together  
Each of us leaves a part of our hearts here

Time passes by you know it goes too quickly  
Seems like we've just arrived and it's time to go  
So take all that we have shared together  
Kindle it gently in your heart till it glows

The roads we take may not always be easy  
They may take time, patience and care  
You know you'll always have a friend you can turn  
to  
If that road gets too tough to bear

### **Pass It On**

It only takes a spark to get a fire going  
And soon all those around can warm up to its  
glowing  
That's how it is with God's love,  
Once you've experienced it  
You spread his love to everyone  
You want to pass it on

What a wondrous time is spring, when all the trees  
are budding  
The birds begin to sing  
The flowers start their blooming  
That's how it is with God's love  
Once you've experienced it  
You want to sing, it's fresh like spring  
You want to pass it on

I wish for you my friend this happiness that I've  
found  
You can depend on Him, it matters not where  
you're bound  
I'll shout it from the mountaintops  
I want my world to know  
The Lord above has come to me  
I want to pass it on

Way of north in the ice and snow  
Where the temperature drops to thirty below

Catches some fish by the pale moonlight  
Has no worries, has no cares  
Percy, the Paleface Polar Bear.  
Then one day a hunter came  
Grabber poor Percy by the snout  
Put him in a great big cage

The most wonderful thing about Tiggers  
is Tiggers are wonderful chaps  
They're bouncy on your head  
And they're bouncy on your laps  
They're bouncy, trouncy, flouncy, pounchy  
Fun, fun, fun, fun, fun  
The most wonderful, wonderful, thing about  
Tiggers  
is I'm the only one, I'm the only one

On the first day of summer camp my family sent  
to me

A PFD in a pine tree  
Two skinned knees  
Three Bic pens  
Four flashlights  
Five pairs of underwear  
Six bars of candy  
Seven missing dollars

Eight counselors sleeping  
Nine bathing suits  
Ten noisy chipmunks  
Eleven floating campfires  
Twelve soggy towels

## Walk with Me

Chorus

Walk with me and talk with me  
And say you'll be my friend  
And together we'll work out harmony  
On a road that'll never end.

Although our roads are different  
Just watch as they converge  
We've got a job to do together  
Our song – it must be heard - Chorus

Sisters for the summer  
Well, that's what the children say  
But little do they know when they go away  
Our friendship will always stay - Chorus

So when you're down, I'll build you up  
And when you're up, I'll laugh with you  
Together we'll find a piece of mind  
That only true friends can find. - Chorus

## Weenie Man

HOTDOG! I love that weenie man, YEE HAW!

When're you make a promise,  
Consider well it's importance  
And when made  
Engrave it upon your heart.

## Whipper-Whopper

Verse 1

I woke up late one morning, the bugs were on the  
wall  
The beetles and the bed bugs were having a game  
of ball.

The score was six to nothing, the bed bugs were  
ahead  
A beetle hit a home run and knocked me out of  
bed

Chorus

I'm singing eenie meenie and a miny mo mo mo  
mo  
Catch a whipper-whopper by his toes  
And if he hollers, hollers, hollers, let him go  
I'm singing eenie, meenie and a miny mo.

Verse 2

ham and eggs  
I ate so many eggs they were running down my

that?

## Yes, She Can!

(Tune: She'll be Comin' Round the Mountain)

Can a woman fly an airplane?  
Yes she can, yes she can  
Can a woman build a building?  
Yes she can, yes she can

Can a woman fight a fire?  
Can a woman change a tire?  
Can a woman lead a choir?  
Yes she can, yes she can.

Can a woman, be a lawyer?  
Yes she can, yes she can  
Can a woman fix an engine?  
Yes she can, yes she can

Can a woman be a drummer?

Can a woman be a plumber?  
Can she play ball in the summer?  
Yes she can, yes she can.

Can a woman be a doctor?  
Yes she can, yes she can  
Can a woman drive a tractor?  
Yes she can, yes she can  
Can a woman lead a nation?  
Can a woman run a TV station?  
Can she head a corporation?  
Yes she can, yes she can.

Just wait until we're older, then you'll see  
We'll be women in tomorrow's history  
As we grow up through the years  
We can sing out loud and clear  
Can we start the process here?  
Yes we can! Yes we can!

### Your Momma Wears Army Boots

Your momma wears Army boots,  
A dig-a-dum!  
I saw when she took them off,  
A dig-a-dum!  
She threw them on the chair,  
A dig-a-dum!  
The chair said, "Give me some air!"

*A dig-a-dum, dum, dum,  
Dig-a-dum, dum, dum,, dum!*

#### *Additional Verses:*

She threw them on the floor –  
The floor said, "Open the door!"  
She threw them up towards heaven -  
They brought down a 7-4-7.  
She threw them on a plate -  
Guess what my sister (brother) ate?  
She threw them in a tent -  
That tent said "Gimme a vent!"  
She threw them on the bed -  
Next morning your daddy was dead!  
She threw them over the fence -  
Haven't seen the neighbor since.  
She threw them on the floor -  
That floor said "Open the door".  
She threw them round the bend- That means this  
is the end.
