

Monica Baldyga, Director of Membership

Monica has been with GSCWM professionally, since 2005, bringing with her a long standing relationship in membership. Monica was a Girl Scout for five years, her mother, taking a tip from a school nun, signed her up to join Girl Scouts. As a mother of three girls, Monica got involved with the Girl Scouts again, volunteering for their troop. She was a Brownie troop co- leader for nine years and a Junior troop co-leader for two years.

Monica's other volunteer opportunities included running her town's girls softball league, volunteering at her church all while attending school part-time. She has worked for Nichols College, before working for the health department at Head Start. Monica felt that working as a

Membership Specialist for GSCWM, where she could marry her devotion and love of children, with her GS volunteer knowledge, was a win, win. As a support specialist for GSCWM, Monica has overseen half the service units in Central and Western MA, at one point or another. Through hard work, and mentorship from many wonderful staff and volunteers, Monica worked her way up from membership specialist to director of membership services. A proud Girl Scout lifetime member who is also the proud mother of three Girl Scout lifetime members. She understands and embraces the organization, its mission and its members. Monica is a very proud Cuban born American citizen who calls Webster, Massachusetts home.
