

A G.I.R.L. Journey

Unsung Heroes

Dear Girl Scout Leaders,

You have been nothing short of amazing.

YOU are absolutely the ones who have kept things going.

You figured out Zoom and Google Classroom and Facebook Live; you got even more creative than you were previously; you dropped off supplies on doorsteps and porches and patios; you really stepped up for the Fall Product Program and for cookies.

When everywhere everyone was saying 'no', YOU said yes.

YOU opened the doors of possibility for girls this year when so many doors were closed.

We've all read about the entrepreneurs and small business owners who've reinvented themselves and well, Girl Scout Leaders have done exactly the same thing.

YOU are unsung heroes.

Thank you for volunteering this year. Thank you for being leaders, and for supporting the girls of central and western Massachusetts. Happy Girl Scout Leader's Day and THANK YOU from the bottom of our hearts!
