

Thank You, Parents/Guardians!

This year will give parents/guardians the opportunity to help your girl "Go Bright Ahead" and learn new and exciting ways to begin her new Girl Scout year adventure by running a successful business with the Fall Product

Our Fall Product Program gives your girls and your girls' troop an opportunity to raise money early in their program year, earn rewards to help them throughout the Girl Scout year, and helps them build financial literacy skills that will stay with the girls for many years ahead.

Below are two ways to participate this upcoming season – do both, or choose which option works best for you!

Participation Options

Order Card Selling Nut/Candy Program:

Ashdon Farms nut and candy products are a special treat and make wonderful holiday gifts. With orders arriving in November, it's perfect timing. Customers can enjoy the convenience of shopping for high-quality gifts, doorstep delivery with a smile, AND helping the Girl Scouts!

Online Nut/Candy and Magazines:

We want your child to experience success and build confidence, so we carefully select program activities that offer maximum benefit to customers. We know how convenient shopping online is. Now you can offer that for your customers as well. We offer many more online only opportunities when you shop on our online store. We have an expanded nut/candy selection and great titles for your magazine choices. It's a great way to participate and generate additional orders. Girls can simply go to <http://www.gscwm.org/en/cookies/Fall.html> and click on the M2Media online program. There are fun and interactive activities for girls and the ordering process is convenient for customers.

Girl Rewards and Troop Income - You've earned it!

- Pictures and details of all the exciting rewards girls can earn are printed on the back of the order card. Talk with your Girl Scout about Goal Setting and come up with a goal that she would like to achieve.
- Girls who are Junior level and older can elect as a troop to earn more money per item sold if the girls choose not to earn reward items.

Make sure to attend your troop's parent meeting to be in on this discussion
