4. **Make a dream giving goal:** Picture this: You have just been hired at your dream job, you have your own place (apartment or house), you make a fair salary, and you are able to take care of yourself very well.

What would you do with your “extra” money? Once you have paid your bills and taken care of your necessary expenses what good could you do for those around you?

Make a short video or draw a sketch of how you would share your good fortune with others!

5. **Add up your dreams:** When dreams become a reality it can be easy to lose sight of what’s important and sometimes if you aren’t responsible with your finances you can cause yourself a lot of trouble.
