

Day at the Aquarium

Complete the three steps to earn your Day at the Aquarium [Patch](#).

- 1.) **Ticket to Adventure:** Before we get started, we will need to create our ticket!

Follow along with Jessica to learn how to make your ticket to the aquarium.

You will need:

- Construction Paper
- Markers/Crayons/Colored Pencils
- Scissors

- 2.) **Undersea Tour:** Now that we have our ticket to the aquarium, it's time for our virtual tour of the National Aquarium. Join our tour [here](#) and see live footage of jellyfish, sharks, penguins, and so much more.

- 3.) **Make a Marine Craft:** Follow the step by step instructions below to make your very own jellyfish!

You will need:

- Construction Paper
- Markers/Crayons/Colored Pencils
- Glue
- Scissors

Step 1: Draw the Jelly fish head: use the stencil below to help you.

Step 2: Color in the jellyfish head however you would like to.

Step 3: Ask a grown up for help on this next part

- Cut out the tentacles for the jellyfish
- Make sure you have 8 tentacles for your jellyfish

Step 4: Glue your tentacles to the back of your jellyfish head

Step 5: Use a pencil to curl the tentacles of your jellyfish.
