

Day at the Zoo

Complete the three steps to earn your Day at the Zoo [Patch](#).

1.) **Ticket to Adventure:** Before we get started, we will need to create our ticket!
Follow along with Jessica to learn how to make your ticket to the zoo.

You will need:

- Construction Paper
- Markers/Crayons/Colored Pencils
- Scissors

2.) **Wild Tour:** Now that we have our ticket to the zoo, it's time for our virtual [tour](#)
of the Houston Zoo. Join our tour here and see live footage of gorillas,
elephants, and giraffes.

3.) **Animal Kingdom:** Animals are creatures of habit and often they will prefer an
exhibit that is familiar and resembles their home in the wild. Challenge
yourself to create a brand new zoo exhibit for an animal that is arriving soon.
You may choose an existing animal or use your creativity to make up a brand
new animal. Be sure the exhibit you choose is healthy, safe, and comfortable
for the animal!

- Below are some examples to get you started!
