“The Girls Scouts programming provided here at the Boys and Girls Club of Webster-Dudley has been nothing short of an outstanding success. From our member participation in the program, to the social and emotional growth within each of those members, no one can deny the incredibly positive impact the Girl Scouts have had on our club. A special thank you to the GSCWM leadership that came in to get the program started, and who helped our staff become leaders themselves so that we can continue moving forward with such a beneficial partnership and program”.

Attn: Brandi Anderson, Community Partnerships Manager
Worcester Leadership Center
115 Century Drive
Worcester, MA 01606

Dear Brandi and Girl Scouts of Central and Western Massachusetts Partners,

I am writing this letter to express our heartfelt support and appreciation for the Girl Scouts of Central and Western Massachusetts, the amazing programs you offer and its lasting impact on our students and school community. My collaboration with the Girl Scouts has spanned approximately ten years, with the past six years specifically at Rice Square School where you have offered programs to students in kindergarten through sixth grade. Throughout this time, we have seen firsthand the incredible benefits and positive outcomes this program brings to our students.

The Girl Scouts Program has empowered our students to grow both personally and socially. Participants consistently demonstrate increased confidence, leadership skills, and a strong sense of community. Many of them become role models for their peers, exhibiting positive behaviors and a genuine enthusiasm for learning and engaging with others. Their excitement to participate is evident every week, and their growth is truly inspiring.

We are especially grateful to the funders who support this vital program and make it accessible to our students and families at no cost. Your generosity ensures that students, regardless of background or financial ability, have the opportunity to benefit from the enriching experiences the Girl Scouts offer. These opportunities have a lasting impact on their lives, and we cannot thank you enough.

We wholeheartedly support the continued presence and expansion of the Girl Scouts Program in our school and beyond. Thank you again for believing in our students and helping them build a brighter future. On behalf of our students, their families, our staff and the school administration, thank you for partnering with us. We greatly appreciate the work you do and we look forward to continuing our partnership in the years to come.

Regards,

Lynnette Diaz
