Light Your Way to Camp
GSCWM Camp Guide 2023

gscwm.org/Camp
Dear Girl Scout Families,

We are excitedly anticipating this summer to welcome you and your Girl Scout to Camp Bonnie Brae, Camp Green Eyrie, Camp Laurel Wood, and Camp Lewis Perkins! At GSCWM, summer brings happy memories of dips in Bare Hill Pond, a bullseye on the archery range, wish boat building, and, of course, singing around a campfire together. As we continue to navigate a world with Covid, we look forward to summer 2023 filled with the magic, tradition, friendship, and fun that girls and their families have come to expect at Girl Scout camp.

Summer camp is an opportunity to unplug, find refuge in nature, and exercise independence in a safe, girl-led environment. Attending camp is consistently cited as girls’ favorite memories of their Girl Scout years and is something I look forward to every year! By sending your girl to camp, she will develop leadership and outdoor skills as well as a deep appreciation for our natural world. Girl Scout camp gives girls an opportunity to grow, explore, and find themselves under the guidance of caring, trained adults.

When your camper attends one of our camps, she joins a 111 year legacy of sisterhood and tens of thousands of Girl Scouts. This includes many of our summer camp staff, who have found lifelong friendships, discovered their strengths, made lasting memories, and returned home with an all-new love for the world around us. So, give your girl the gift of camp—you'll be amazed at what a little time outdoors does to develop her courage and confidence, from the classroom to the laboratory, to the boardroom, and beyond.

I can’t wait to see you this summer and explore the world of camp together!

Happy Camping,

Jessica Gonzalez
Program Manager
ACA ACCREDITATION AND SAFETY/HEALTH REGULATIONS

The American Camping Association (ACA) accreditation standards require that camp facilities undergo a thorough review process by outside camping professionals every five years. For our ACA accredited camps, these reviews last occurred in 2017 (Camp Bonnie Brae) and 2018 (Camp Green Eyrie and Camp Lewis Perkins).

The American Camp Association is the world’s premier organization dedicated to promoting the safety and quality of camp programs. Camp Bonnie Brae, Camp Green Eyrie, and Camp Lewis Perkins are proud to be accredited by the American Camping Association (ACA) and meet its high standards for program design and activities, site and food service, transportation, health and wellness, operation management, and human resources. Regardless of accreditation status, all GSCWM camps maintain the same high levels of safety and high-quality camp programming that the ACA requires. In addition to the safety guidelines outlined by the American Camping Association and Girl Scouts of the USA, all GSCWM camps comply with regulations of the Massachusetts Department of Public Health and are licensed by local boards of health. For more information about these state regulations, call 617-624-5757.

GIRLS WITH ACCOMMODATIONS: GSCWM wants all girls to have the opportunity for a great camp experience and we will do our best to accommodate all Girl Scout campers. Campers with individual accommodations can have a positive camp experience when these needs are disclosed to the camp administrator and their staff prior to camp. If your camper has medical, physical, emotional, developmental, social needs or other circumstances, please contact the GSCWM Program Manager, Jessica Gonzalez, at jgonzalez@gscwm.org or by phone at 413-584-2602 ext: 7124 to discuss any concerns or specific accommodations before registering for camp.

OPEN HOUSES: We believe that camp has positive impacts on our girls and we also believe that there is something special about being in the outdoors where you make new friends, try new things, and create lifelong memories that speaks to the power of camp. Come explore camp with your family during our open house sessions, join us for a guided tour, complete a camp craft, and enjoy a tasty s’more. Members of our camp team will be available to answer any questions. This is a great way to see what camp looks like before the summer begins! Open houses and Meet the Staff days will take place rain or shine. While registration is not required to attend, it does allow us to be prepared. RSVP to camp@gscwm.org.

For GIRLS, by GIRLS:

While Girl Scout Camp is a key component of the Girl Scouting experience, no Girl Scout experience is required to attend our summer camps. In a girl-led, girl-friendly environment, all girls will be able to challenge themselves and take healthy risks while surrounded by supportive friends and camp staff. When girls spend quality time outdoors and increase their exposure to nature, they thrive physically, emotionally, and intellectually. When Girl Scouts get outside, they:

- Discover that they can better solve problems and overcome challenges.
- Develop leadership skills, build social bonds, and are happier overall.
- Become team players and care more about protecting our environment.

Our summer camps allow girls to unplug from their smartphones, laptops, TVs, and tablets, and get outside to enjoy nature.

STAFFING:

Camp Staff are enthusiastic, talented, and caring individuals who, for most positions, are 18 years of age or older. GSCWM recruits both regionally and internationally, and we carefully select staff based on maturity, program skills, experience, and their ability to serve as role models. Additionally, all of our camps have a Health Care Specialist on site each day. All GSCWM camp staff must attend an intensive pre-camp training session to bond as a team and gain skills in camping, including safety, activity planning, camper care, teambuilding, and much more. Staff members who supervise activities such as the pool, water sports, challenge course, archery, and other specific program areas receive additional training and certifications. Many staff members return each year and travel from all around the world to ensure that our campers have an amazing camp experience. Safety is our priority, so we conduct thorough staff criminal background (CORI) and sexual offender (SORI) checks. In accordance with the Massachusetts Department of Public Health and licensing by the local board of health, you have the right to request proof of background checks, camp healthcare policies, discipline policies as well as policies for filing grievances.

Questions about specific camp programs email camp@gscwm.org

Questions about registering or processing payments email info@gscwm.org

All campers receive a GSCWM Summer Camp t-shirt with camp registration. Sizes can be requested at registration but are unable to be guaranteed.
REFUND OR TRANSFER WEEK POLICY:

To reschedule or cancel your summer camp registration, please contact the Information & Referral department by emailing info@gscwm.org, or submit a request inside your CampDocs account. Include your Girl Scout’s name and program, and we will do our best to help you reschedule. It is best to make changes to your camp registration as far in advance as possible. Unfortunately, we may not be able to accommodate changes that occur within two weeks of your camp session, or if a program is full.

Camp requires a lot of planning and preparation on the part of our council and seasonal staff. Therefore, participants who request a refund **in writing** four weeks or more before the start of a camp session will receive a refund minus the deposit. Deposits made on resident or day camp sessions are non-refundable. Unfortunately, refunds are not given within four weeks of a program, or if a member doesn’t attend the camp session. Prorated refunds are not given if a member doesn’t attend the full program. In some cases, a partial or full refund may be granted for medical emergencies. In this case, notification of absence must be given before the event and accompanied by a written request for a refund within two weeks of the program. **A physician’s note is also required.**

Occasionally, GSCWM must change or cancel a program. If this happens, we will notify you as soon as possible and provide either a full refund of the camp reservation fee or placement into an alternate session.

WAITLIST:

Many of our programs fill up fast. As our camp programs fill, we will accept a small number of members to be placed onto our waitlist. We are unable to tell you ahead of time when/if your camper will be moved off the waitlist. While some campers may be registered in one program and waitlisted in another, girls who do not have other registrations are encouraged to register for an open program to guarantee that they will be able to attend camp.

If you would like to register for a program with a waitlist, select it in your CampDoc profile. A deposit or program fee is not required until your camper is removed from the waitlist. You will receive an email from CampDoc informing you if you have been removed from the waitlist. The cost of the camp program will be added to your account and be due at that time.
