Our Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Girl Scout Promise

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

Girl Scout Law

I will do my best to be honest and fair, friendly and helpful, considerate and caring, courageous and strong, and responsible for what I say and do, and to respect myself and others, respect authority, use resources wisely, make the world a better place, and be a sister to every Girl Scout.

Diversity, Equity, and Inclusion Statement

One girl can make a difference; together we can change the world. Girl Scouts of Central and Western Massachusetts is committed to building a robust organizational culture where diversity, equity, and inclusion are at its core. We denounce racism, violence, injustice, and inequity. We strive to ensure that ALL who engage in this community are valued and recognized, and that they find a true sense of belonging.

Join us in creating welcoming spaces that seek to empower and engage youth and adult members to be authentic partners in this endeavor.

Anti-Racism Commitment

Girl Scouts of Central and Western Massachusetts accepts the ethical responsibility to engage in social justice and anti-racist action. We aspire to be an organization that recognizes and works to understand historical and contemporary experiences with power, privilege, and oppression.

We will do our part to dismantle systemic, institutional, cultural, and individual racism. We recognize that this is far from easy or fast work, but we are Girl Scouts – we believe in courage, justice, and fairness – so we are in it for the long haul. We take action when we see a need and we live by the Girl Scout Law, which demands we seek racial equity for everyone.

We promise to learn to operate both internally and externally in ways that affirm and support our members, staff, and community partners who identify as Black, Indigenous, and/or People of Color.

We are asking for all Girl Scouts, alums, supporters, families, staff, and our suppliers and service providers – to commit to taking action with empathy to make the world a more just and equitable place.

Dear Girl Scout Families:

We can't wait to be Brave. Fierce. Fun! this summer and welcome you and your Girl Scout to Camp Bonnie Brae, Camp Green Eyrie, Camp Laurel Wood, and Camp Lewis Perkins! At GSCWM, summer brings happy memories of wish boat building, campfire songs, adventures on the challenge course, a perfect bullseye on the archery range, and encouraging creativity in arts & crafts.

Summer camp is a great way for girls to explore leadership, build lifelong skills, and develop a deep appreciation for nature. In a girl-led environment, girls will be able to challenge themselves and take healthy risks while surrounded by supportive friends and caring, trained adults. When girls spend quality time outdoors and increase their exposure to nature, they thrive physically, emotionally, and intellectually.

No matter which of our camps you choose or whether girls stay a few days, a week, or longer, they will enjoy making new friends, trying new things, practicing new-found skills, and creating memories that will last a lifetime. Girl Scouts' dedication to progression in outdoor programming means that girls will practice age-appropriate skills and gain the experience they need to feel confident taking the next step in their outdoor journey.

So, give your Girl Scout the gift of camp—you'll be amazed at what a little time outdoors does to develop her courage and confidence, from the classroom to the laboratory, to the great outdoors, and beyond.

I can't wait to see you this summer and explore the world of camp together!

Happy Camping,

Jessica Gonzalez
Program Manager

ACA Accreditation and Safety Regulations

The American Camp Association, or ACA, is the only accrediting body for recreational camps in the United States. ACA's accreditation standards focus on health, safety, and risk management, and are used as benchmarks by government entities. ACA accreditation provides public evidence of a camp's commitment to the well-being of campers and staff.

Camp Bonnie Brae, Camp Green Eyrie, and Camp Lewis Perkins are fully accredited ACA Camps. GSCWM submits annual reports to ACA for review and each camp receives an on-site evaluation from ACA representatives every three years, with our most recent visits happening during the summer of 2023. In addition to maintaining accreditation status, GSCWM staff utilize ACA trainings and research to develop exciting camp programs, maintain up-to-date staffing policies, and uphold industry best practices for participant health & safety. Although Camp Laurel Wood has not gone through the ACA accreditation process, our camp staff maintain the same ACA standards.

In addition to the safety guidelines outlined by ACA and GSUSA, all GSCWM camps comply with Massachusetts Department of Public Health regulations and are licensed by the local board of health.

Camp Staff

GSCWM selects staff based on maturity, program skills, experience, and ability to serve as role models. Day camp staff members are at least 16 years old, with leadership staff who are at least 21. Overnight camp staff are at least 18 or graduated from high school. Some select overnight staff positions are filled by staff who are at least 16. Overnight leadership staff are at least 21 and director teams are at least 25 per ACA and Massachusetts state standards. Camp staff attend intensive pre-camp training before the summer camp season to fully immerse themselves in their roles and prepare for campers. Staff members who supervise activities at the waterfront, challenge course, archery, and other specific program areas receive additional training and certifications. GSCWM conducts thorough staff criminal background (CORI) and sexual offender (SORI) checks. In accordance with the Massachusetts Department of Public Health and licensing by the local board of health, you have the right to request proof of background checks, camp healthcare policies, discipline policies as well as policies for filing grievances.

Campers with Individual Accommodations

GSCWM wants all girls to have the opportunity for a great camp experience. Campers who need individual accommodations can have a positive camp experience when these needs are disclosed to GSCWM camp staff prior to camp. If your camper requires accommodations for medical, physical, emotional, developmental, or social needs, please contact the GSCWM Program Manager, Jessica Gonzalez, at jgonzalez@gscwm.org or by phone at 413-584-2602 to discuss whether or not GSCWM camps can support your camper's specific needs before registering for camp.

Have more questions about GSCWM summer camps? Visit the summer camp page at www.gscwm.org to view our Frequently Asked Questions and the Summer Camp Family Handbooks, which cover policies and procedures in detail. If you can't find an answer you're looking for, contact info@gscwm.org and the right person will get in touch.

Registration and Membership

Registration for summer 2026 opens on January 14, 2026. GSCWM uses an online platform called CampDoc to process camp registrations and camper health information. Once camp registration is open, click the registration link on the [summer camp page](#) at www.gscwm.org to get started.

Girl Scout camp is open to all girls - no prior Girl Scout experience needed to attend! Non-members have an additional \$55 fee for camp which also includes all membership benefits through Sept, 2026.

Full payment of the camp registration fee is due by June 10, 2026. After that date, full payment is due at the time of registration. If you are registering and applying for financial aid funds after June 10, the \$75 deposit is due at the time of registration and someone from GSCWM will contact you to complete the payment process.

All campers will receive a GSCWM Summer Camp t-shirt with camp registration.

If you have questions, please email info@gscwm.org or call 413-584-2602.

Financial Assistance

Financial Assistance is available to ensure that all girls have the opportunity to attend camp. To find out more, please visit www.gscwm.org and click on the "[Camp Financial Assistance](#)" tab.

Refunds and Transfers

To reschedule, transfer, or cancel your summer camp registration, please email info@gscwm.org, or submit a request in your Camp Doc account.

Please submit transfer requests no later than two weeks before your camp session.

Please submit cancellation requests no later than four weeks before your camp session for a refund. You will receive a refund minus the initial, non-refundable \$75 deposit. Refunds will not be given for registrations that are canceled within four weeks of a program, or if a member doesn't attend the camp session. Pro-rated refunds are not given if a member doesn't attend the full program.

In some cases, a partial or full refund may be granted for medical emergencies. In this case, notification of absence must be given, accompanied by a physician's note and written request within two weeks of the program.

In order to provide an effective and engaging program, GSCWM must have a minimum of 5 participants enrolled. If your program does not meet the minimum number of participants, you will receive an email with details on how to transfer your camper to another available session, or receive a refund of your session costs. Decisions regarding low enrollment programs will be made four weeks prior to the session start date. This minimum number of participants applies to both day & overnight camp programming

Waitlists

Many of our camp programs fill up fast and we recommend you register as early as possible. If the program your camper wants to attend is full, you may join the waitlist. A deposit or program fee is not required until your camper is removed from the waitlist. We are unable to predict when or if your camper will be removed from the waitlist. Waitlisted campers who do not have other registrations are encouraged to register for an open program to guarantee that they will be able to attend camp. You will receive an email from CampDoc informing you if you have been removed from the waitlist. The cost of the camp program will be added to your account and be due at that time.

7/5/2026-7/24/2026 / Session 2A / \$700

The second part of the Counselor-In-Training program is for girls who have completed CIT I and are entering grade 11 and up. It allows you to learn the “ins and outs” of Camp Bonnie Brae as you dig deeper into leadership practices and the steps necessary to create a safe community for campers. Develop and teach a specialty. Put it all into action when you spend a week working side-by-side with camp staff. A select few graduates of the CIT II program may be invited to stay on as Camp Interns and complete an internship where they work full time in units at completion of the program. Campers must go home in between sessions. An application and interview will be required.

Counselor in Training (CIT I)

7/26/2026-8/14/2026 / Session 5A / \$700

For girls entering grade 10 and up, this 3 week program will start your camp leadership experience where you'll focus on the skills necessary to work with children at camp. Learn the importance of working as a team and what positions are needed to successfully run a camp program. Shadow camp staff, and learn more about what to expect from campers. This is your opportunity to plan and implement an all-camp activity and spend time in another unit. Campers must go home between sessions. An application and interview will be required.

Camp Intern

7/26/2026-8/14/2026 / Session 5A / \$300

Just for CIT II graduates. The Camp Intern Program is for you. Girls entering grade 12 can now join us for a Camp Internship. The majority of the week is spent working in units or program areas. Camp Interns are still considered campers and will go home between sessions. Limited number of spots available to those who have completed both CIT I and CIT II. An application and interview will be required.
