**Please note:** Order Card taking: this is for friends, family, co-workers, neighbors, etc. When bringing the order card into the workplace, we understand that your Girl Scout might not be able to accompany the card. If this is the case please be sure to include a handwritten letter that can go along with the card asking the customer if they would like to purchase cookies. This is a huge part of learning the five skills and makes it very clear that the **GIRL SCOUT** is selling the cookies and not the parent/guardian.
