Complete the five steps to earn your Gardner Badge.

1. **Visit a garden:** Visit a local garden or take a virtual tour of some gardens [here](#). What is one of your favorite gardens?
2. **Explore garden design:** Plan your dream garden. Imagine you could turn part of your yard into a garden. What would you grow? Draw out a map or plan of your garden, similar to the one below. Then cut out pictures of the plants you would like to grow, or you can draw them in.

3. **Learn how to choose garden plants:** Watch the attached video to learn how to choose plants for your garden.
4. **Experiment with seeds:** Watch the attached video to learn how to start your garden.
5. **Grow your own garden:** Once the seeds you have planted have sprouted, use them to plant you own garden.
